FREDDIE WELCH IS
ONCE AGAIN A
CHAMPION

English Lightweight Regains
Title by Defeating Mat Wells
in Gruelling Twenty Round
Bout in London.

(By Morning Journal Special Leased Wire.)
London, Nov. 11.—Freddie Welch, the English lightweight champion, regained his title of lightweight champion of Great Britain in a 20-round fight tonight with Matt Wells, the British title holder. The fight went the full distance, Welch winning on points.

A great crowd gathered in the National Sporting club arena and witnessed a clever bout in which honor was fairly even throughout. Welch was a slight favorite in the betting. There was some holding and the referee several times cautioned the men to box cleanly.

In the early rounds, Welch had slightly the better of it, Wells' work being a little ragged. Both tried desperately in the final rounds to score a knockout. At the end of the twentieth, Welch's right eye was nearly closed, but the referee considered that he had done the better fighting.

BASEBALL MAGNATES
TRANSFER ANNUAL
MEETING TO MILWAUKEE

Chicago, Nov. 11.—Two hundred men identified with major and minor leagues, left Chicago tonight for Milwaukee to attend the annual meeting of the National Association of Professional Baseball Leagues, which opens there tomorrow.

The board of arbitration which has been in session here to decide disputed cases, finished its work tonight.

Discussions on salary limits and reclassification of league will be the principal questions for settlement at the Milwaukee convention. Fred Jones, former manager of the Chicago club in the American league, and now president of the Northwestern league, will present the claims of his organization for a raise in classification from Class B to Class A. Jones says that under the present plan, with all players subject to draft, it is impossible to keep the clubs intact from season to season.

He argues that it is an injustice for clubs in cities like Nashville, draft players from the Seattle, Portland and Tacoma clubs. Three players from the Northwestern league were drafted by the Southern league this summer.

More than thirty disputes were referred to the Milwaukee meeting of the board of arbitration.

Following are among the cases decided today:

Claim of Topeka against Trenton for Player Whiting allowed.

Application for a reinstatement by Oscar Jones (San Francisco) disallowed.

Dayton, O., against Seattle, claim for \$150, allowed.

Player Barrkamp claimed by Seattle and Calcutt, awarded to Seattle.

Claim of Player Kelly against Salt Lake City, allowed.

Claim for Player Davidson against Omaha, disallowed.

Claim of Player Becker against Helena, disallowed.

WILLIE HOPPE BEATS
CLINE IN OPENING
BILLIARD MATCH

New York, Nov. 11.—Willie Hoppe, of this city, tonight defeated Harry Cline, formerly of Philadelphia, for now of New York, by a score of 500 to 198, in the first game of the tournament for the world's professional championship 18.2 ball, nine billiard title.

Hoppe failed to score in his first three innings, but in the fifth ran 84. In the eleventh he added 111 to his score, failing to get the balls out of his 112th shot. He fell away on his playing toward the end of the game, running off the required 500 points in his 44th inning.

Cline was nervous and did not show to advantage at any stage. Score: Hoppe—500; average, 11.16-44; high runs, 111; 84, 49.

Cline—198; average, 18-43; high runs, 25; 25, 29.

Slonson made the high run of the tournament thus far, clicking 140 in his thirteenth inning. Scores: Morningstar, 599; average, 14-24-24; high runs, 69, 67, 55. Slonson, 474; average, 12-22-34; high runs, 140, 53, 62.

CINCINNATI CLUB
HASN'T JOE TINKER
CINCHED JUST YET

Chicago, Nov. 11.—Shortstop Joe Tinker of the Chicago club, arrived in Cincinnati to play the "on-again, off-again" game with the managerial job of the Cincinnati Nationals several weeks, tonight has not the slightest idea what the final outcome of his efforts to join Garry Herrmann's club will be.

Early today when Manager John J. Evers, of the Chicago club, arrived in Cincinnati, the report was current that with the settlement of a few minor details, Tinker would be released to Cincinnati.

Before Tinker had time to learn when the first train left for Cincinnati word came that he still was a member of the Chicago team and might remain one for some time. After that Charles W. Murphy, president of the club; Manager Evers and Tinker went into conference.

"Superlative" typographical history," he said.

Translated, he means Tinker is not yet a manager. Evers has the case under consideration. He wants players in exchange for Tinker.

REORGANIZATION OF
THE REPUBLICAN
PARTY LIKELY

News Comes from Iowa That
Senators Cummins and Kenyon
and Gov. Hadley Will
Undertake Reconstruction.

(By Morning Journal Special Leased Wire.)
Washington, Nov. 11.—A report from Iowa that Senators Cummins and Kenyon, of that state, and Governor Hadley, of Missouri, had entered into a movement for reorganization of the republican party along progressive lines, was the basis of much comment here today.

The only progressive senators in the city were Senator Dixon, of Montana, who managed Colonel Roosevelt's campaign, and Senator Works, of California, who refused to support either Roosevelt or Taft. Senator Dixon was inclined to attach little importance to the movement and Senator Works to favor it.

"What can they do in view of the fact that we tell four million voters away from the party," Senator Dixon asked. He refused to discuss the question of the affiliation of progressives in the senate with either the republicans or the democrats, but said it was the purpose of the progressive party to continue its independent course in the nation.

Senator Works warmly endorsed the Cummins-Kenyon-Hadley idea.

"If it is going to live, the republican party will have to change form," he said. "The reactionary or conservative leaders will have to give way to the progressives. The result of the late election proves this beyond controversy."

NO EXTRA LEGISLATIVE
SESSION IN ILLINOIS

Springfield, Ill., Nov. 11.—There will be no special session of the Illinois legislature for the purpose of apportioning the state and electing a United States senator to fill the vacancy caused by the removal of William Lorimer. This was made certain tonight when Governor Denson issued a statement in which he declared that acting upon information given him by the attorney general in which it was held that the members of the last legislature would not be qualified to elect a United States senator he would not call a special session.

Chicago, Nov. 11.—Miss Jane Addams, of Hull house, Mrs. Joseph T. Bowen, president of the Juvenile Protective association of Chicago; Miss Virginia Brooks, Miss Hammond, Ill. reformer, and Miss Maude Miner, secretary of the New York Probation officers' association, argued before a city council committee today against segregated vice districts.

Mrs. Bowen said that of the 7,000,000 working girls in the United States, one-fifth received less than \$200 a year, and three-fifths received less than \$325 a year.

"The glamour of a segregated district is practically vicious in its influence on these working girls," said Mrs. Bowen. "Is it any wonder that they turn to those districts when they have become worn out and discouraged earning the small wages paid them?"

In introducing Miss Miner, Miss Addams asserted that New York was more wicked than Chicago.

"There are too many financial interests in New York to suppress the social evil," said Miss Miner, "and that is the trouble in Chicago also."

Rev. Mr. O'Callaghan, the Paulist father of St. Mary's church, Chicago, in an address to the aldermanic vice committee this afternoon, advocated toleration of the segregated vice districts until the social evil can be abolished.

"The medical profession has made the social evil what it is by its false teachings and mistaken doctrines, which are responsible for the depravity of today," said Father O'Callaghan. "No law can stem the practice aroused by these years of false doctrines. I do not see how we can do anything better now than to forego the underworld to the narrowest boundaries."

Vice, officially recognized by public officials, Father O'Callaghan continued in strong terms, but pleaded that it be permitted to find its way to a certain portion of the city, where it could be suppressed gradually and discouraged and the remainder of the city at once purged.

Carl Waldron, attorney for the committee of fifteen, presented figures before the committee to substantiate his claim that the profit to certain persons in the restricted districts in Chicago was \$2,189,000 annually.

After Four Hours of Irregularity,
During Which Prices
Rose and Fell, Market Turns
Weak at Close.

(By Morning Journal Special Leased Wire.)
New York, Nov. 11.—After four hours of irregularity, during which prices rose and fell within one point limits, today's stock market suddenly turned weak in the last hour, not only wiping out all gains, but in several important instances, notably United States Steel, going under last week's low level.

The selling in the late dealings was only moderate and the decline altogether gradual. The only previous break in the monotony of the session was during the noon hour, when the list suffered a sharp reversal on news from Washington that the supreme court would render no decision today in the several suits of special interest to Wall Street, including the so-called trust cases and the Union Pacific-Southern Pacific merger.

Call money touched 6 per cent towards the end of the day, but time rates eased a fraction by reason of last Saturday's bank statement.

Chicago Board of Trade.

Chicago, Nov. 11.—Depression over-spread the wheat market today in consequence mainly of less warlike tone of news from Europe. The close, though firm, showed a decline of 3/4 to 1/2 cent net.

Wheat traders also had to confront world shipments a third larger than a year ago. A lively business with millers at Minneapolis led to some reaction, but the fact that harvesting in Argentina would begin within a fortnight, spoiled the rally. December, which ranged from 88 1/2 to 89 1/2 cents, finished at the level last named, a loss of 1/2 cent compared with forty-eight hours before.

Predictions of unsettled weather traced up the corn market, December fluctuated between 48 1/2 and 50 1/2 cents, closing firm, 1/2 cent net higher, at 50 1/2 cents. Cash grades were in fair demand.

Oats inclined to sag with latest transactions 1/2 cent off at 21 1/2 cents.

Lowest prices for hogs tended to pull down provisions. The chineer, back was in January pork, 7 1/2 cents.
